Chromate Magnetic Retractable-Belt[®] Systems

Chromate's Retractable-Belt[®] Systems are designed to improve the safety and versatility of jobsite safety while increasing productivity. These units are used every day where maintenance or cleaning is being performed, allowing or restricting access into your working environment. Ideal for warehouse aisles, hallways, and doorways (ie, bathroom facilities).

Great for hospitals, nursing homes, casinos, hotels, universities, public schools, utility companies, railroads, apartment/condo complexes, etc.

- High impact polycarbonate construction – internal mechanism and body – for long term durability
- Extended top ridge; protects the unit during falls
- All parts easily replaceable
- 10 year warranty
- Unit available in smooth black or safety yellow
- Dimensions: 4-1/8" W x 5-1/8" D x 3-7/8" H
- Magnet Strength
 - Unit/housing magnet: 82 lbs. pull force
 - Belt end magnet: 20 lbs. pull force

Yellow Unit

- 15' Yellow Belt
- CAUTION – DO NOT ENTER
(Black imprint, double-sided)

P/N 20001

BELT[®] SAFETY SYSTEM

Other Retracta-Belt[®] Systems Wall Mount and Warehouse Units

- Mountable units allow quicker setups and frees up valuable floor space
- Fixed/removable mounting plate: Mounting plate is permanently attached to a surface. Unit slides on and off and can be “fixed” via a screw.
- Transferable: Purchase extra mounting plates and use one unit in multiple locations
- High impact polycarbonate construction – internal mechanism and body – for long term durability
- Extended top ridge protects the unit during falls
- Available in smooth black or safety yellow
- Dimensions: 4-1/8" W x 5-1/8" D x 3-7/8" H

Wall Mount Units

- Universal belt end: Attaches to receiving ends
- Mountable receiving end and magnetic receiving ends sold separately

Wall Mount & Warehouse Units

- “S-hook” belt end: Attaches to warehouse shelving or wraps around poles and connects to itself

RETRACTA-BELT® SAFETY SYSTEM

Available Mounting Options

4 different mounting plate options:

- Fixed/Removable permanently attach mounting plate to wall, unit slides on and off easily or can be fixed via a screw

- Magnet/Clip allows unit to attach to shelving quickly by means of a strong magnet and clip that hooks into holes or slots in most shelving units (3/8" minimum slot or hole required)

- Velcro® straps for quick and temporary installation on any column or post ranging from 1-1/2" to 5" diameter (longer straps available)

- Hose clamp metal straps for a secure and semi-permanent connection to uprights
