for 30 days!

OzzyMat™
P/N 27725

OzzyJuice®
P/N 27724

SmartWasher®
P/N 27723

All SmartWashers ship completely assembled with one OzzyMat & enough OzzyJuice to get started.

SmartWasher[®] 101

features

NO flash point
NO toxic solvents
NO service contracts
NO caustic materials
NO hauling or removal of solvents or gray water
CERTIFIED: AQMD, USDA, ETL, NSF

benefits

ELIMINATES cradle to grave liabilities
LOWERS hazardous waste generator status
REDUCES operating and maintenance costs
PROTECTS health and well-being of employees
ELIMINATES generation of liquid hazardous wastes
ELIMINATES chemical waste handling/transport problems
GREEN without compromise

no more hauling or manifesting:

the SmartWasher uses a unique technology called bioremediation which eliminates the need to haul away your OzzyJuice. Microbes (Ozzys) breakdown "eat" the grease and oil or carbon-based products in the OzzyJuice and turn those contaminants into harmless carbon dioxide and water - **EVAPORATION**.

in short

microbes (Ozzys) continuously eat the contaminants out of the OzzyJuice leaving it clean and strong every time. The microbes (Ozzys) will "eat" grease, oil, mineral spirits, solvents and other petroleum based products, just to name a few. Because of bioremediation and as long as the SmartWasher is maintained properly, the customer should NEVER have to change the fluid.

an amazing combination "ozzyjuice[®] and the ozzymat[™]"

OzzyJuice degreasing solutions are pH neutral, use no hazardous solvents, are not caustic and have no flashpoint. These powerful degreasing solutions clean as quickly as premium solvents. The OzzyMat is a patented particulate trap impregnated with microbes (Ozzys). The OzzyMat traps large particles of grease and oil along any particulate larger than 50 microns. More importantly the OzzyMat releases microbes (Ozzys) into the SmartWasher system.

summing it up "the SmartWasher Works"

The customer should NEVER have to change the OzzyJuice in the SmartWasher as long as they maintain the system. **IT'S SIMPLE:** CHANGE THE OZZYMAT A MINIMUM OF ONCE A MONTH OR EVERY 30 DAYS, ADD ONE BOX OF OZZYJUICE WHEN LOW FLUID LIGHT INDICATES THE OZZYJUICE DEGREASING SOLUTION IS LOW.

Overall Dimensions	43" x 27" x 42"
Sink Dimensions	27" x 23" x 8"
Parts Washer Structure	Heavy-Duty HDPE
Controls	Toggle Switch
Pump Capacity	300 gph
Adjustable Thermostat	105° to 115° F
Flow Control Timer	10 Minutes
Standard Equipment	Customized Dolly
Certified	ETL (UL/CSA), CE, NSF

SmartWasher Start-up Kit:
Ships completely assembled with one OzzyMat[™]
and enough OzzyJuice[®] to get started.

SmartWasher®

bioremediation parts washing systems

SmartWasher Mobile Parts/Brake Washer

P/N 27723

- 300 gph Pump
- Onboard Diagnostics / Adjustable Thermostat
- Load Capacity of 550 lbs.
- Overall Dimensions: 43" x 27" x 42"
- Inside Sink Dimensions: 27" x 23" x 8"
- Customized Dolly
- No Health & Safety Hazards
- No Environmental Damage
- No Toxic Solvents
- No Service Contracts
- No Waste Hauling
- No Flash Point

SmartWasher Signature

P/N 27722

- 300 gph Pump
- Onboard Diagnostics
- Adjustable Thermostat
- Load Capacity of 550 lbs.
- Overall Dimensions: 39" x 29" x 40"
- Inside Sink Dimensions: 26" x 17" x 8"
- No Health & Safety Hazards
- No Environmental Damage
- No Toxic Solvents
- No Service Contracts
- No Waste Hauling
- No Flash Point

SmartWasher Super Sink XE

P/N 27721

- 300 gph Pump
- Onboard Diagnostics / Adjustable Thermostat
- Load Capacity of 550 lbs.
- Overall Dimensions: 47" x 38" x 42"
- Inside Sink Dimensions: 41" x 26" x 8"
- 2 brush stations, light kit and parts basket
- No Health & Safety Hazards
- No Environmental Damage
- No Toxic Solvents
- No Service Contracts
- No Waste Hauling
- No Flash Point

SmartWasher Super Sink

P/N 27720

- 300 gph Pump
- Onboard Diagnostics
- Adjustable Thermostat
- Load Capacity of 550 lbs.
- Overall Dimensions: 47" x 38" x 42"
- Inside Sink Dimensions: 41" x 26" x 8"
- No Health & Safety Hazards
- No Environmental Damage
- No Toxic Solvents
- No Service Contracts
