WARNINGS:

- MSHA approved for use with three AA Duracell Type PC1500, Energizer Type 9001, and Energizer Type L91 batteries only.
- Replace the batteries in this or any and replace all batteries at the same time. Do not mix batteries from different manufacturers or of different types.
- Recharge lithium (Type 901) batteries only as recommended by a qualified manufacturer only.
- The Model Nightstick 6422 must not be opened to assess when permeability is required.

Note: Order batteries with P/N 29203 (Duracell PC1500, MSHA approved batteries). See instruction manual for details. 3 AA alkaline batteries are not included.
