MISSION COMMISSION

Below is an example of a Mission Commission special. Expect more each week in 2014!

YOUR MISSION, IF YOU CHOOSE TO ACCEPT IT, is to get 10% more commission through Friday, December 20th!

Bet you didn't know that Saturday, December 21st, is National Flashlight Day! No, we cannot shed any light on the origins of this day, but it does coincide with the Winter Solstice which is the longest night of the year.

Effective through Friday, December 20th, sales for two of our popular flashlights will pay **25%** at the target price. And since you never know when you'll need a flashlight, our batteries will feature a 10% price reduction to your customer at the 20% commission level.
