

# MILITARY MODULE MAINTENANCE

*Your Mobile Maintenance Solution!*

# MILITARY MODU

## *Our Highly Trained Technical Modular Military MRO System To Me*

*Get mobile, get organized and  
increase your efficiency now!*

- The military conducts combat operations in ever changing situations, thus everything for combat sustainment must be mobile.
- With a proven record as the industry leader in modular workspace mobilization, only the Chromate team has the knowledge and know-how to help you plan and build your Deployment System.
- As a leading supplier of high quality maintenance products and inventory management services, we have been providing "Systematic Solutions" for over 45 years.
- Our modules can be used to build a custom motorpool system or mobilized to meet your deployment needs.
- Your system will be designed and customized to fit the needs of your combat unit's mission. We listen to you!
- Easy to order... One part number for "Systems Module" or "Individual Modules" are available.
- Built to fit your container of choice. However, hydraulic set-up must be in a Tri-Con or larger container.
- Chromate provides you with a "TURN KEY" set-up! We do all the work. **YOU JUST USE IT!**
- Your overseas order is assembled and shipped complete directly to your supply warehouse as a CLASS IX item.
- We guarantee that you container will pass inspection for air, sea or land transportation.

*Your Mobile Maint*

# LE MAINTENANCE

*Representatives Develop Your  
Meet The Needs Of Your Specific Mission!*
