Your mobile maintenance solution!

Emergency Response Custom Maintenance Systems

Get mobile, get organized and increase your efficiency now!

Our Highly Trained Technical Representatives Develop Your System To Meet Your Needs!

- Your system will be designed and customized to fit your needs. We listen to you!
- Custom CAD drawings of your unique Emergency Response System are provided upon request.
- We take the time to INSTALL using up to date MIL-SPECS.
- Upon completion, there will be no need for “**block and bracing**” before you respond, saving you time, manpower, and headaches.
- Chromate provides you with a “TURN KEY” Set-Up! We do all the work. **YOU JUST USE IT!**
- Your system is a self contained mobile maintenance center with the items needed to make effective repairs.
- A cost effective solution to responding with the proper supplies to get the job done. You no longer need to rely on the quality and availability of local suppliers.
- These systems are FEMA fund compatible.
